## WHAT IS THE BROOKFIELD SUBSTANCE ABUSE COALITION?

---

BSAC is a volunteer organization deeply concerned about the impact of substance abuse on our community. We bring together a diverse group of individuals that share a common desire to address the problems of drugs, alcohol, and substance abuse on all levels. We focus our efforts on education, prevention, and providing information to the public. Your participation and involvement are welcomed, and necessary for change.

## WHAT CAN YOU DO?

---

- Become a **SAFE Homes** Family.
- Attend programs sponsored by the BSAC to learn more about issues affecting our community.
